A Letter from The Society

We would like to take this time to recognize that although we are not all currently congregated at McMaster, the University currently sits on the traditional Territories of the Mississauga and Haudenosaunee Nations, and within the lands protected by the “Dish With One Spoon” wampum agreement. We urge you to research the land that you currently reside on and be mindful of the history of the land.

Welcome to McMaster!

The MES team is excited to support you as you begin your journey in Economics. We created this survival guide to help you navigate the start of your university journey. This guide will give you key tips, resources, and advice to help you feel confident and prepared for your first year.

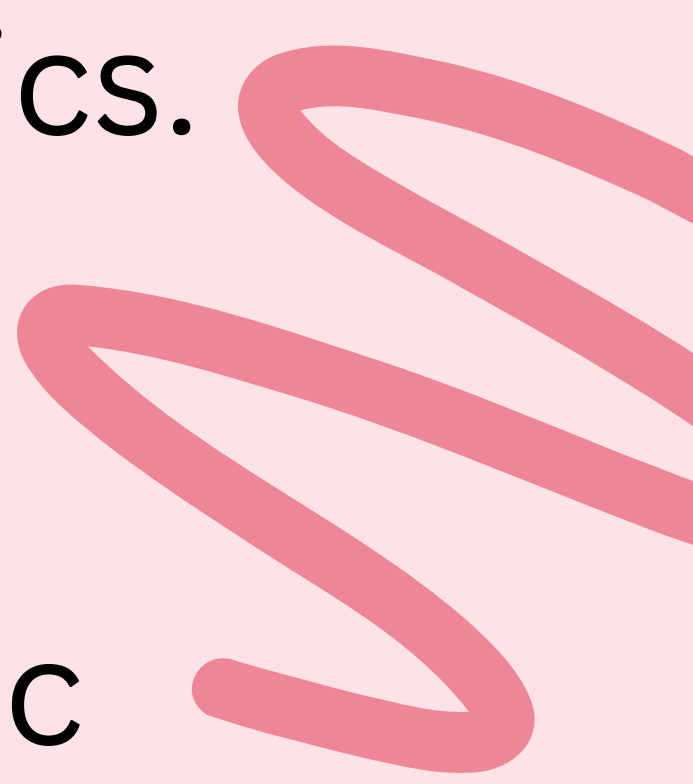

Wishing you all the best as you
continue your journey here!

What is the McMaster Economics Society (MES)?

The McMaster Economics Society is a student-run organization dedicated to enriching the university experience for all students interested in Economics.

We aim to build a supportive community by providing academic resources, hosting networking events with industry professionals, and creating social opportunities for students to connect, learn, and grow beyond the classroom.

Tips for First Years:

Campus Navigation 📍

- Download the MacMap app for building locations 📱
- Explore MUSC (Student Center) for food, study spaces, club booths, and banking

Tips for First Years:

Course & Academic Success

- Check Avenue to Learn for course content and grades and Mosaic for enrolment, finances, and course updates
- Office hours are underrated – go with specific questions to build connections

Tips for First Years:

Getting Involved

- Join McMaster Economics Society events and clubs to meet peers and upper years.
- Apply for first year rep positions in clubs – great way to build experience fast.

Tips for First Years:

Food & Coffee Recommendations

- MUSC Tim's line is long – try BSB Tim's or Second Cup PGCLL or Mary Keyes.
- Starting mid September there will be free soup and bread for lunch every Wednesday hosted by the Chaplaincy Centre on the second floor of MUSC!
 - They also have free cookies and coffee during exam periods.

Tips for First Years:

Mental Health & Wellness

- Free counselling: Student Wellness Centre in MUSC B101.
- Schedule breaks and prioritize sleep, especially during midterms.

Tips for First Years:

Saving Money

- Check MSU Student Deals for Hamilton restaurant discounts.
- Get your Presto Card student discount activated for cheaper GO Transit.

Tips for First Years:

Final Advice from Upper Years ✨

- Don't be afraid to ask questions in class and talk to professors or TAs.
 - The reality is that most people's grades drop a bit during their first year, and it's nothing to be ashamed of. What matters is whether you reflect on how to improve in the future
 - Do not neglect exercise - it will reduce stress, make you more confident, and give you energy
 - Stay open-minded. First year is about exploring what you love and meeting new people.
-
